NEW CALL OPEN

Our next call for proposals will be open from 21 September 2017 to 25 January 2018. In this call we offer around 60 million Euro for the best transnational cooperation ideas that will help to improve capacities for urban and regional development.

The co-financing rates in our programme reach up to 85 percent depending on the location of an institution.

Co-financing rates

80%
Austria, Germany and Italy

85%
Croatia, Czech Republic, Hungary, Poland, Slovakia and Slovenia

With our funding we support projects tackling shared challenges in their cities and regions related to either innovation, CO2 reduction, natural and cultural resources or transport. More concretely, they build regional capacities through joint policy-learning, pilot actions and pilot investments.

80%
Austria, Germany and Italy

85%
Croatia, Czech Republic, Hungary, Poland, Slovakia and Slovenia

Who can participate?

- Public authorities and related entities
- Regional development and innovation agencies
- Enterprises (including SMEs)
- Chambers of commerce and other associations
- NGOs
- Financing institutions
- Technology transfer institutions, universities and research institutes
- Energy suppliers and management institutions
- Environmental facilities
- Education and training organisations
- Transport operators and infrastructure providers
- and others

Following the first two calls in 2015 and 2016, we are currently funding 85 projects. Based on an analysis of topics covered by these projects, the third call will be exclusively focused on pre-defined topics in some areas.
