# Illegal Dumping - A Shared Responsibility

---

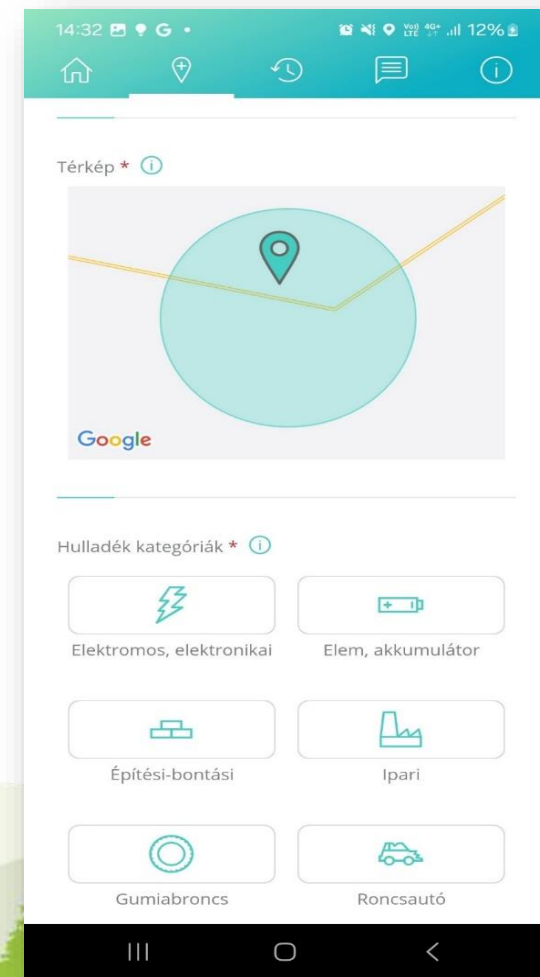

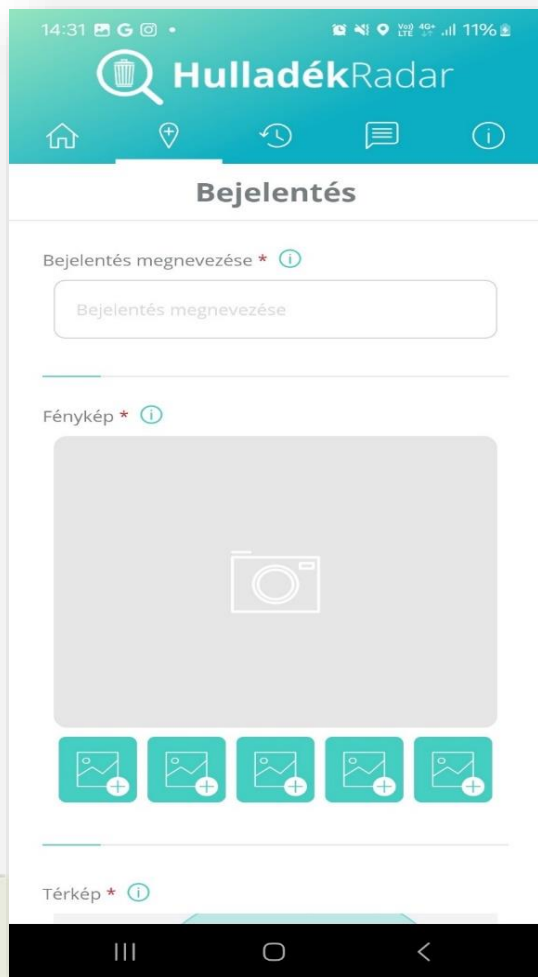

- Illegal dumping harms our environment, health, and economy.
- It pollutes soil and water, endangers wildlife, and diminishes our quality of life.
- Taking action is our shared responsibility!

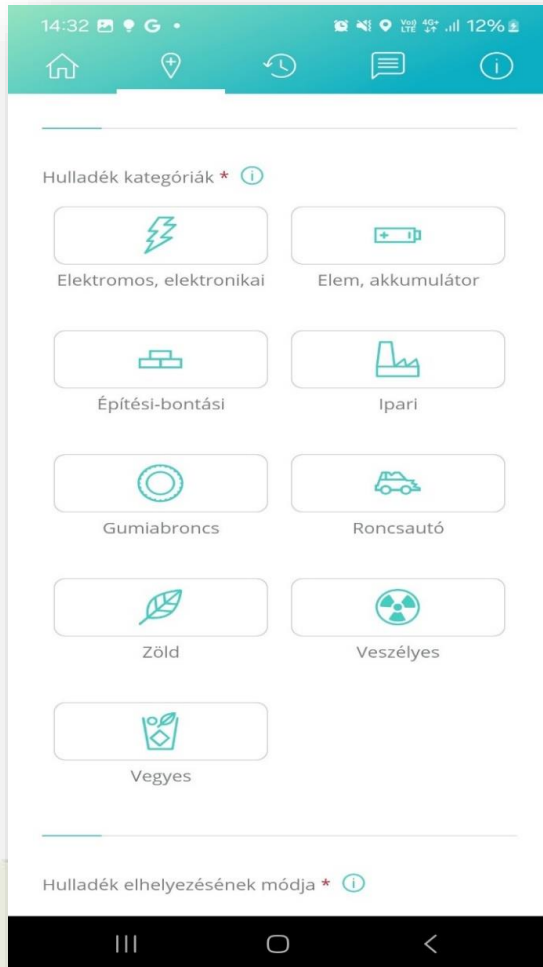

# HulladékRadar - Your Tool for Change

- HulladékRadar is a free mobile app that empowers anyone to report illegal dumping.
- Reporting is simple, quick, and anonymous.
- Reports are sent directly to the responsible authorities for swift action.

# Easy and Effective

1. Download the app
2. Register or log in
3. Take a photo of the dumped waste
4. Mark the location
5. Submit your report

# Making a Difference Together

- Thanks to HulladékRadar, thousands of tons of illegally dumped waste have been removed.
- Join the movement and help create a cleaner Hungary!
